RIVERSIDE'S INLAND EMPIRE PRIDE FESTIVAL

Welcome and thank you so much for joining us for Riverside's Inland Empire Pride Festival 2022. Today's event is a safe space for the LGBTQ+ community and allies to come together for celebration, education and community building. There are so many amazing individuals, artists, performers, organizations and businesses within our region, but it's sometimes difficult to feel that sense of community; our goal with this festival is to gather safely and build community across the Inland Empire. Together we will learn more about ourselves, celebrate each other, and continue to elevate the voices of marginalized identities.

ABOUT RIVERSIDE LGBTQ+ PRIDE

We are a completely volunteer-driven organization with a mission to inspire, educate, commemorate, celebrate and illuminate our diverse LGBTQIA2+ community through public service and public events. With the increased visibility from our past events, we are able to make actual impacts on our community. We help those in need by connecting community members to resources that help them to thrive, educate others through programs that help them to grow, and give back to the community through community services.

FESTIVAL HIGHLIGHTS

HEALTH & JUSTICE

**Happy Riverside Pride
from the TruTeam to you.**

Mission

TruEvolution fights for health equity and racial justice to advance the quality of life and human dignity of LGBTQ+ people.

Since 2008, we have expanded our local advocacy to regional services offering HIV testing, linkage to care, case management, and emergency supportive housing for people living with HIV. As an LGBTQ+ justice organization, we focus our efforts on addressing health disparities in LGBTQ+ communities of color through community outreach, health education, and prevention programs.
